Algasoil

GRANULAR ROOT AND
SOIL BIOSTIMULANT.

01

Chemical Product and Company Identification

Trade Name: AlgaSoil.

Product type: Seaweed Organic Granular Fertilizer.

Supplier: BEIJING LEILI MARINE BIOINDUSTRY INC.

Address: Building 1, Shuangxin office area, Beixinzhuang Rd., Sijiqing Town, Haidian District, Beijing, China

Telephone number: +86 10 68910636

EMAIL: overseas@leili.com

GUARANTEED BY: CIBOCHEM CORPORATION

Address: 730 central florida parkway, orlando, FL 32824-3282

License number: F003186

02

Hazards Identification

Inhalation: Non-toxic, potential mild irritation.

Skin contact: Non-toxic, potential mild irritation.

Eyes contact: Non-toxic, potential mild irritation.

Ingestion: Non-toxic, may result abdominal pain, nausea, diarrhea

03

Composition/Information on Hazardous Ingredients

Substance Name	C.A.S Number	% By weight
Total Nitrogen (N)	7727-37-9	2%
Ammoniacal Nitrogen	-	0.1%
Water Soluble Nitrogen	-	1.4%
Water Insoluble Nitrogen	-	0.5%
Total Phosphorus (P2O5)	1314-56-3	2%
Available Phosphorus (P2O5)	-	2%
Soluble Potassium (K2O)	12136-45-7	1%
Magnesium (Mg)	7439-95-4	0.92%
Water Soluble Magnesium (Mg)	-	0.16%
Sulfur (S)	7704-34-9	4.7%
Combined sulfur	-	4.7%
Calcium	7440-42-8	7.74%
Iron (Fe)	7439-86-6	0.96%

04

First Aid Measures

Inhalation: N/A

Skin contact: Wash with soap and water.

Eyes contact: Rinse with plenty of running water.

Ingestion: Wash out mouth with water. Contact a physician if large quantities are ingested.

05

Fire Fighting Measures

There are no special fire extinguishing measures, since the product does not present a potential risk of ignition.

Flash point: N/A.

Autoignition temperature: N/A.

Special firefighting procedures: N/A.

Handling and Storage

Handling: Relatively safe to handle. Handle all crop protection chemicals with care and caution. Do not eat, drink, smoke or go to the bathroom with hands contaminated with pesticides. Always wash your hands after handling pesticides or residues.

Storage: After opening, keep this package closed as it can absorb moisture and compact. Store in a cool, dry place out of the reach of children and pets. For best results, use before the expiration date printed on this bag.

**09**

Handling and Storage

Boiling point, 760 mm Hg: 100°C

Vapor density (air=1): N/A.

% volatiles by vol: N/A.

Melting point: N/A.

Solubility in water: 60%.

Specific gravity (H2O=1): N/A

Ph: 5-5 – 8.5

Appearance: Brown granular.

Odour: seaweed-like

06

Accidental Release Measures

Personal precautions:

Wash with water.

Spill Cleanup Measures:

Wash with water and spray into the soil.

Environmental Precautions:

It is environmentally friendly product.

**08**

Exposure Controls and Personal Protection

Flash point: N/A

Autoignition temperature: N/A

Special firefighting procedures:
N/A

This product has no risk of exposure.

**11**

Toxicological Information

It is not toxic, being of natural origin, it does not represent potential problems for health, for the environment, or for species of fauna and flora.

**13**

Disposal Consideration

The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should always comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Waste should not be disposed of untreated to the sewer unless fully compliant with the requirements of all authorities with jurisdiction. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way.

10

Stability and Reactivity

Stability: Stable

Incompatibility: Oxidants and acids may cause degradation

Hazardous decomposition: N/A

Hazardous polymerization: N/A

**12**

Ecological Information

It is friendly to the environment; it does not have any known contraindications so far and its use is recommended in any type of ecosystem.
